In choosing your 2020-2021 program, keep in mind the following points when selecting courses:

- All grade 11 students should take 8 courses, but may elect to take a spare if they have 16 credits.
- All grade 11 students must take 2 compulsory courses: English & Mathematics.
- Students should consider their post-secondary pathways & maintain a breadth of course choices to keep their options open.

The Student Services Office is open from 8:30 – 4:00 pm to provide additional information and assistance in preparing for your program for next year. You may also find the following websites helpful:
